

Water Treatment and Wastewater Plant Superintendent: Transform Our Community in Century, FL

Location: Town of Century, FL

Reports To: Mayor

Type: Full-Time

Annual Salary Range: \$66,560 to \$85,000

Discover Century, FL:

Century, nestled in the vibrant Florida Panhandle, is a community where history intertwines with natural splendor, offering a lifestyle where your work impacts life directly. As a steward of Century's water resources, you'll lead initiatives that ensure our water's safety and purity, embodying our commitment to the community's well-being and environmental sustainability.

The Opportunity:

We're seeking an innovative and seasoned superintendent to oversee our Water Treatment and Sewer Plant's operations. This critical role is at the helm of ensuring our water meets the highest standards of quality and safety, sufficient to satisfy our community's needs and comply with all regulatory requirements. Your leadership will drive our team of dedicated professionals in a mission critical to public health and environmental stewardship.

Why Lead in Century?

- **Influential Leadership:** Spearhead a team essential to providing vital public services, directly influencing community well-being.
- **Competitive Compensation:** Recognizing the value and impact of your role, we offer a salary range of \$66,560 to \$85,000 per year.
- **Continual Growth:** Stay at the cutting edge of water treatment technology with ongoing professional development opportunities.
- **Unmatched Lifestyle:** Experience the unique quality of life in the Florida Panhandle, where community pride and natural beauty meet.

Core Responsibilities:

- Direct comprehensive water plant operations, ensuring adherence to all regulatory standards and community expectations.
- Proactively assess and optimize water treatment processes, equipment, and team performance to uphold service quality.
- Foster collaborative relationships with city officials, departments, contractors, and the community to enhance service delivery and compliance.
- Lead by example in operational excellence, safety practices, and emergency response readiness.

Qualifications:

- Demonstrated leadership in water treatment operations with at least 5 years of experience, including 2 years in a supervisory capacity.
- High School Diploma or GED; adeptness with Microsoft Office for administrative tasks.
- Valid Class "C" Water/Waste Water Plant Operator's license from the state of Florida, with ambition for further licensure.

- Deep understanding of water treatment principles, safety protocols, and regulatory compliance.

Offering:

- An attractive salary range from \$66,560 to \$85,000, based on experience.
- A comprehensive benefits package, including health, dental, and retirement planning.
- Opportunities for professional development and career advancement.
- Relocation support for the ideal candidate, alongside a commitment to work-life harmony.

Apply Now:

Embark on a career that transcends the ordinary—lead our Water Treatment and Wastewater Plant in Century, FL. To apply, email Leslie Howington, Town Clerk at lhowington@centuryflorida.us, use “Application for Water Department” as the Subject Line and include your resume and any pertinent certifications. Your leadership could be the catalyst for our community's continued health and prosperity.

The Town of Century is an Equal Opportunity Employer, celebrating diversity and committed to creating an inclusive environment for all employees.
