

Water and Wastewater Treatment Plant Operator (WWTP Operator) Contribute to Both Community Health and Environmental Stewardship in Florida's Panhandle

Location: Utilities Department, Town of Century, FL

Type: Full-Time

Salary Range: \$28 - \$32/hour

Why Century?

Located in the heart of Florida's Panhandle, the Town of Century offers a unique blend of history, community, and natural beauty. Working here means more than just fulfilling a role; it's about making a significant impact on the lives of our residents and the environment. Our Utilities Department is seeking dedicated individuals to join our team as Water and Wastewater Treatment Plant Operators. This position offers the opportunity to contribute to vital community services that ensure the health and safety of our water resources.

The Role:

As a WWTP Operator, you will be integral to our mission of providing safe, clean water and effectively managing wastewater. This critical role encompasses the operation and maintenance of facilities that treat both drinking water and wastewater, adhering to the highest standards of safety and environmental compliance. It's a chance to apply your expertise in a dynamic environment, tackling challenges, and implementing solutions that benefit both people and the planet.

What Sets Century Apart?

- **Community and Environmental Impact:** Play a key role in safeguarding public health and protecting natural resources.
- **Spectacular Setting:** Work in an area known for its stunning landscapes and friendly community atmosphere.
- **Professional Growth:** Enjoy opportunities for career advancement, continuous learning, and professional certification.
- **Team Spirit:** Become part of a supportive team that values collaboration, innovation, and dedication.

Requirements:

- High School Diploma or GED; additional education or training in environmental science, engineering, or related fields is advantageous.
- At least 2 years of experience in water and/or wastewater treatment operations.
- Valid Florida Water and Wastewater Treatment Plant Operator License (Class C or higher).
- Commitment to excellence in public service, environmental conservation, and ongoing professional development.

Benefits:

- A competitive salary range of \$28 - \$32 per hour, reflecting experience and qualifications.
- A comprehensive benefits package, including health, dental, vision, and retirement savings plans.
- Strong support for professional development, including training and certification opportunities.

- A positive and inclusive work environment, with potential for relocation assistance for standout candidates.

Join Our Team:

If you're passionate about making a difference in a community that will value and depend on your contributions, Century, FL, is calling you. This is more than a job—it's a chance to have a lasting impact on public health and the environment. To apply, email Leslie Howington, Town Clerk at lhowington@centuryflorida.us and use "Application for Water Department" as the Subject Line. Attach your resume, a persuasive cover letter, and any relevant certifications. We're excited to see how you can contribute to our community and environment!

The Town of Century is an Equal Opportunity Employer, dedicated to building a diverse and inclusive team.
