

Pay My Bill

At this time, we do not offer online pay, however, starting in December hope to offer an online payment option.

During this time, customers can come to Town Hall and pay their bill in person, or they can call us at 850-256-3208 during regular business hours, and pay their bill over the phone with a card.

Please note: For ALL card transactions, there is an approximate 3.5% service fee from Civitek to run the card.
